An Impressive Place To Make An Impression

Rogers Centre Ottawa is Canada's Meeting Place, a spectacular convention facility recently awarded The best convention centre in the world by the International Association of Congress Centres. It is a venue renowned for its magnificent design and

setting, for its premium field-to-table and organic food service, its commitment to sustainability, and its focus on delivering unparalleled service and experiences.

Make An Impression With Important People

Each year Rogers Centre Ottawa hosts prestigious national and international gatherings, conferences, corporate events, trade shows and celebrations. Events of note hosted since the Centre opened in 2011 include the national conventions of all three main federal political parties, NHL All Star Fanfair, GTEC, Tamarack Ottawa Race Weekend, Grey Cup Festival, 46th annual JUNO Gala Dinner & Awards, the Ottawa-Gatineau

International Auto Show, SaaS North and the Pan American Wrestling Olympic Qualification Tournament. These kinds of events and others together attract hundreds of thousands of influential and affluent people to the venue each year-and the Centre offers advertisers a range of flexible ways to reach, influence and interact with them while they're here.

Level 2 Media Wall

Ottawa's Largest Indoor Screen

A can't miss 274" 4K LED screen located in our second level prefunction space. This screen is the focal point of the centre, and also visible from outside the building. The display delivers over 600,000 plus impressions per year.
